## FOR WHO: 6th-8th graders

### What is an FNL (Friday Night Live)?:

An FNL is a place for Middle School teens (6th -8th grade) to learn more about Christ, the church, and the relationship He desires to have with them. It's also a place to hang out and have good fun with some old friends and new friends. Each night has a different theme. The theme could be a teaching night about the church (Sacraments, Heaven, Mary, the Saints, ect...) or it could be a issue night ( abortion, family, friends, media, ect..) or it could be a social night one that is complete fellowship and hang out. We have a group of 25 High School teens who are apart of these nights. They are there to lead the nights, get to know the 6th-8th graders, and share with them what Christ has done in their lives.

We will try and let you know the theme of each night in the bulletin before each FNL.

**TIME**  
**7:00pm-10:00pm**
